Homework Submission Requirements

1. File Format

- Zip **all your files** into a single `.zip` file.
- Name the zip file using the format: `HW#_YourName.zip` (e.g., `HW1_BobGoodman.zip`).

2. Program Requirements

- Ensure your program **compiles and runs** successfully.
- Include a **screenshot of your program's output**.
- **Code must be properly indented** for readability.
- **Include comments** in your code to explain logic and important steps.

3. Grading Notes

- Failure to follow these instructions will result in a **score of 0**.
- **Late submissions:**
  - Deduct **10 points per day** late.
  - Submissions **10 days late or more** will receive **0 points**.
